

## ASSURANCE

HoganTaylor's Assurance practice, one of the largest in Oklahoma and Arkansas, is comprised of professionals who continually demonstrate they are adept at providing assurance services that are on time and well managed for a wide range of business types and specialized industries. It's our proven ability to deliver on this promise that has enabled HoganTaylor to serve many premiere businesses both regionally and nationally.

## WHO WE SERVE

We provide assurance services to business owners and managers, nonprofit, trust and government stakeholders. The forms of organizations we serve include:

- Publicly-held
- Privately-held
- Nonprofit
- Trusts

## WE DELIVER RESULTS ON TIME

We have developed the HoganTaylor Project Management process which emphasizes work flow planning, communications, collaboration and consistency. We've developed software tools and trained our entire audit team in our unique methodology. This knowledge has been integrated across the organization which has allowed us to excel at completing engagements on-time according to quality standards and within budget.

## USING INNOVATIVE TECHNOLOGY

HoganTaylor is a leader in using technology to enhance data mining, evaluation and organization. We have adopted and operationalized the paperless audit software of an international CPA firm. We have developed a proprietary internet portal which applies our unique Project Management methodology to assurance projects.

## ASSURANCE SERVICES AND ADVICE

- Financial statement audits, reviews and compilations
- Internal control assurance
- Public offerings and SEC compliance
- Nonprofit and government entities receiving federal grants – Single Audits
- Employee Benefit Plans – ERISA compliance
- Projections and forecasts
- Acquisition and divestiture evaluation
- Agreed-upon procedures
- Implementation of standards
- Financial reporting
